

# Chemistry & Materials Science Day

**13<sup>th</sup> July 2017**  
**Draft Programme**

| <b>Time</b>   | <b>Talk / Content</b>          | <b>Venue: Lecture Room / Laboratory</b> | <b>Personnel</b>               |
|---------------|--------------------------------|---|--------------------------------|
| 9:30-10:00    | Registration                   | Hume Rothery Reception                  | Kay Davies                     |
| 10:00-10:10   | Welcome                        | HR Lecture Theatre                      | Jayne Shaw                     |
| 10:10-11:00   | Talk: Title TBC                | HR Lecture Theatre                      | TBC                            |
| 11:00-11:15   | Walk to Chemistry              |   |                                |
| 11:15 – 12:45 | Group A<br>Materials Workshop  | Teaching Lab                            | Jayne Shaw                     |
|               | Group B<br>Chemistry Practical | Dyson Perrins Teaching Labs             | Malcolm Stewart                |
| 12:45-13:45   | Lunch ( <b>not provided</b> )  |   |                                |
| 13:45-15:15   | Group A<br>Chemistry Practical | Chemistry                               | Malcolm Stewart                |
|               | Group B<br>Materials Workshop  | Teaching Lab                            | Jayne Shaw,                    |
| 15:15 – 15:30 | Questions and depart           | Lecture Theatre                         | Jayne Shaw,<br>Malcolm Stewart |
| 15:30 – 16:15 | Optional college Tour          | TBC                                     | TBC                            |
